

# KERATINCOMPLEX®

*Beautiful hair every day*

## *KCSMOOTH™* Restorative Leave-In Lotion

Final step of KCSMOOTH Heat Activated Smoothing System protocol and essential client aftercare.

This lightweight heat-protecting spray lotion instantly conditions, smooths and delivers a fast, easy blowout with silky, shiny results.

---

### *Why we love it:*

- An essential part of the KCSMOOTH aftercare regimen to maintain longevity and effectiveness of the treatment
- Contains our proprietary blend of Signature Keratin that prevents damage and increases strength for smoother, healthier hair
- Lightweight, conditioning and hydrating formula that does not weigh the hair down
- Preps and conditions the hair for speedy, polished blowouts
- Provides heat and UV protection
- Detangles and makes both wet and dry combing easier
- Increases manageability and cuts blow-dry time
- Delivers incredible shine with a soft, silky feel
