

# KERATIN COMPLEX®

*Beautiful hair every day*

## KCSMOOTH™

*Heat Activated Smoothing System*

KCSMOOTH™ is a 2-step system powered by a proprietary blend of Signature Keratin, antioxidants and amino acids to deliver maximum manageability in two hours or less. This zero-downtime treatment dramatically cuts blow-dry time, repairs damage and delivers stronger, smoother, healthier hair for up to three months.

### *Why we love it:*

- Maximum manageability treatment in two hours or less
- Same day style with zero downtime
- Makes blow-drying faster and easier while providing heat protection
- Repairs damage, tames frizz and restores shine
- Violet pigments neutralize brassiness
- Coconut-water based formula is incredibly hydrating, which helps prevent breakage
- Results last up to 3 months
- Cumulative results – the more it is used, the smoother and straighter hair becomes
- Clients go home with KCSMOOTH Restorative Leave-In Lotion, the essential aftercare to maintain longevity and effectiveness of the treatment
