

KERATINCOMPLEX®

Beautiful hair every day

Picture Perfect Hair™

Bond Sealing Masque

A deep-conditioning bond-sealing masque that blends keratin, botanicals and strengthening actives to leave hair nourished with a visibly smooth, shiny finish.

Why we love it:

- Powered by PhytoFruit Blend™, a combination of strengthening actives, botanicals and moisturizing butters that helps preserve the hair fibers' mechanical strength.
- Penetrates the cuticle and seals the bonds of the hair to help retain moisture
- Makes hair less susceptible to environmental stress
- An essential part of the PBO aftercare regimen to maintain longevity and effectiveness of the treatment
- Final step in the PBO smoothing treatment
- Can be used alone as a strengthening masque
